1612 166TH Pl SE Mill Creek WA 98012 | 360-904-9241 | grode.caleb@gmail.com

Summary

Student at Whitworth University who graduated with honors from Community College through the Washington State Community College Running Start Program.

GPA: 3.67 Expected Undergraduate Graduation: 2021

CURRENT EDUCATION

- I am currently enrolled at Whitworth University and am studying computer science and business working towards a Bachelor of Science in Computer Science a Minor in Business and when I finish my undergrad, a Master's in Business Administration.

ASSOCIATE IN ARTS | MAY 2018 | EVERETT COMMUNITY COLLEGE

- I Related coursework: General Studies with marine biology focus through Everett Community College's Ocean Research College Academy program.

Skills & Abilities

LEADERSHIP

- While homeschooled, I was captain of my local high school's Cross Country and Track programs. During my senior year of high school, I led my varsity team to state. These teams consisted of 50 plus members allowing for me to enhance my skills. Currently, I continue to hone my leadership and teamwork on Whitworth's Cross Country and Track teams.

TECHNOLOGY

- **Languages:** C++, HTML, CSS, JavaScript, XAML, SQL, C, C#
- **Operating system:** Windows
- **Platforms:** Visual Studio 2017, Visual Studio Code, Atom, Xamarin.Forms, Arduino microcontrollers, Arm Mbed microcontrollers, MySQL databases, Microsoft Azure Web App hosting, Microsoft office products

Experience

INTERN | S5 SOLUTIONS | AUGUST 2017 – APRIL 2018

- At S5 Solutions, I interned as a front-end developer of a website with a team of interns. I learned basic skills for working with HTML, JavaScript and databases. I also learned how to work in a software development team with repositories and collaborative work.

DENNY'S PET WORLD | MAY 2019 – CURRENT

As an employee at Denny's Pet World I was responsible for facility maintenance, animal care and the sales of pets, equipment and other products. Specifically I specialized in the care and sale of tropical aquarium fish and regularly advised and helped customers in this arena.
